The collage consists of 40 comic panels arranged in a grid-like fashion. The panels depict a woman's journey from a village to a city. In the top left, she is seen in a village setting, interacting with a man. The middle section shows her in a city, working in a shop, and interacting with a man. The bottom section shows her in a city, working in a shop, and interacting with a man. The panels are arranged in a grid-like fashion, with some panels showing the woman in a village setting and others showing her in a city setting. The panels are arranged in a grid-like fashion, with some panels showing the woman in a village setting and others showing her in a city setting.
